DELETE: Paragraph 28

INSERT: "28. On October 14, 2009, the Applicants filed exceptions to the Recommended Order issued in this matter. The Applicants request that, rather than filing copies of the executed loan documents with Docket Control, the Applicants be permitted to provide the documents to the Utilities Division pursuant to a protective agreement, as the documents contain confidential information. The Applicants noted that they have discussed this modification with Staff's counsel and Staff stated they have no objections.

29. The requested modification is reasonable and shall be adopted. The Applicants should also file with Docket Control simultaneously with the provision of the documents to Utilities Division, as a compliance item in this docket, a notice stating that the executed loan documents were submitted to Utilities Division in compliance with this Decision.

30. Staff's recommendations, as modified, are reasonable and should be adopted."
